DISCOVER SPAIN

WITHOUT LIMITS

2025

Accessible circuits for all people

We offer to you a wide variety of programmes in which we have designed each section of the route **in detail** so that you can travel **without barriers or limitations** and all you have to worry about is **enjoying yourself**.

In addition, our **highly specialised team in accessible tourism** has selected only the accommodation and transport that best suits your needs. You will be accompanied throughout your trip by a guide specialised in inclusive tourism who will make sure you get to know every corner of your dream destination.

As our main purpose is **to enable everyone to have the opportunity to travel**, regardless of their needs, you can ask us for **personal assistance and/or rental of support products** if you need it.

We are backed by the experience and knowledge of more than 25 years working in accessible tourism from IMPULSA IGUALDAD, promoting actions for the benefit of all people with physical disabilities through our member organisations throughout Spain. In addition, the economic benefits of our agency are reinvested in continuing to work for equal opportunities through our foundation.

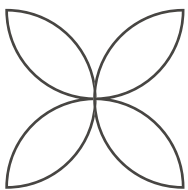

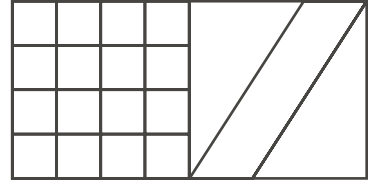

We design your tailor-made trip, no strings attached

At **TUR4all Travel** we are specialized in creating unique and personalised experiences, tailored to fulfill your dreams and desires to travel the world. We know that each traveller is unique, which is why we are dedicated to offering you personalised attention, so that you can enjoy an exceptional experience **without barriers**.

Have you ever dreamed of travelling to exotic destinations, discovering ancient cultures or exploring natural wonders? Would you like to travel alone, with your family or in a group? Would you like to stay in boutique hotels, charming places or hostels? **With TUR4all Travel everything is possible**. Our team of experts in **tailor-made inclusive tourism** will contact you to find out your preferences, interests and needs. We will advise you every step of the way, ensuring that every detail is carefully organised, **so that you can enjoy a carefree experience full of unforgettable moments**.

Promoting purposeful Tourism

At TUR4all Travel, travelling is synonymous with freedom and connection: it means breaking barriers, challenging taboos and encouraging encounters between people. We believe that tourism should be at the service of those who enjoy it, of the cultures that welcome us and of the territories we explore, being accessible to everyone, without exception. For this reason, we offer inclusive and personalised experiences, for people with and without disabilities, to destinations around the world, through our agents and our website.

By choosing TUR4all Travel, you enjoy a more humane tourism and, at the same time, you support an industry that promotes equality and a positive impact on society. We believe that accessible tourism is social progress and that a company can prosper by taking care of its environment and increasing the satisfaction of everyone through universal accessibility.

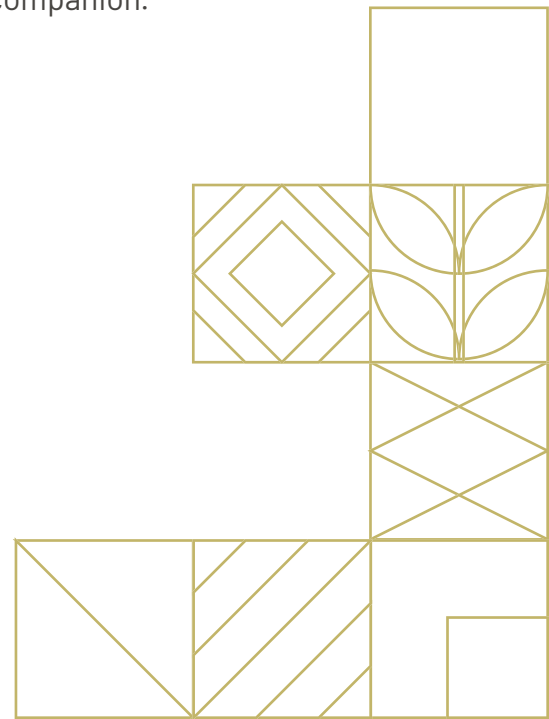

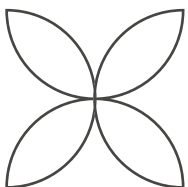

Our commitment is clear: we are a company that is committed to the social sustainability of tourism, always putting people's well-being at the center of all strategy and action. With each trip, we are building a world where tourism is a driver of equality, inclusion and responsibility. Because we know that our decisions have an impact, we want to be part of positive tourism, both for those who travel and for those who receive. At TUR4all Travel there is no distribution of dividends, we are the only travel agency that reinvests 100% of its profits in people with disabilities so that they can live with equal opportunities. Together, we are taking a step toward a more accessible and equitable future.

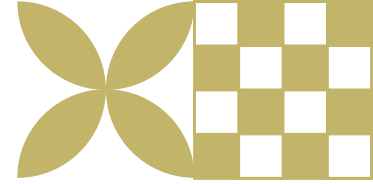

General terms and conditions

- All programmes are subject to availability at the time of booking.
- The price of the trip may be modified up to 20 calendar days before departure as a result of changes in the cost of fuel, taxes, port and airport taxes or tourist surcharges, as well as applicable exchange rates and in the event of not reaching the minimum number of registered participants necessary to guarantee the trip. If the price increase communicated exceeds 8% of the price of the trip, the client may, within a period not exceeding 48 hours of notification, accept the proposed change or terminate the contract without penalty.
- Likewise, the traveller is entitled to a reduction of the price in relation to the eventual decrease of costs, taxes, surcharges or applicable exchange rates, which occur until the beginning of the trip, in which case TUR4all Travel may deduct from the refund the actual administrative costs of its processing.
- The allocation of adapted rooms is guaranteed based on the availability of the accommodation.
- Single and triple rooms are subject to availability and price at the time of booking.
- People who require assistance in carrying out basic activities of daily living must be accompanied by a companion.

Terms of payment

At the time of booking confirmation, the traveller must pay 50% of the total price. The remaining amount (50%) must be paid 30 days before departure at the latest. In case the traveller does not comply with these deadlines, TUR4all Travel reserves the right to cancel the services and apply the penalty foreseen in the section "Cancellation conditions, II. Cancellation by the traveller" before the departure of the trip.

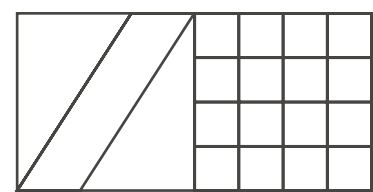

Cancellation conditions

I. Cancellation by the organiser before departure.

TUR4all Travel may cancel the trip without additional compensation to the traveller if any of the following conditions are met, in which case the full amount of the trip will be refunded within a maximum of 14 calendar days after notifying the traveller.

1. In the event that the minimum number of registered participants required to guarantee the departure is not reached, in which case the traveller shall be notified within the following period:
 - Trips with a duration of more than 6 days: 20 calendar days before the start of the trip.
 - Journeys lasting between 2 and 6 days: 7 calendar days before the start of the journey.
 - Journeys lasting less than 2 days: 2 calendar days before the start of the journey.

2. In case of an unavoidable and extraordinary event, in which case TUR4all Travel will notify the traveller as soon as possible.

II. Cancellation by the passenger before departure.

The traveller may cancel the trip at any time before the start date, in which case TUR4all Travel will apply the penalty according to each case, depending on the services contracted and the date on which the cancellation occurs. The refund will be made minus the penalty and within a maximum period of 14 calendar days after receiving the notification of the cancellation of the contracted services.
